

Material Safety Data Sheet

Coconut Shell Steam Activated Carbon

1. Chemical Product and Company Information

Product Name : Steam Activated Carbon
H.S. Code : 3802.10
Chemical Name : Activated Carbon
Chemical Family : Carbon
Formula : C

2. Composition / Information on Ingredients

Chemical characterization : Steam Activated Carbon, black granular & powder
Components : Carbon
CAS number : 7440-44-0

3. Hazards Identification

This product is an odorless black granule or powder. Never enter a confined space containing activated carbon as it will adsorb oxygen and asphyxiation may result. Prolonged or repeated exposure to dust may cause eye and respiratory tract irritation.

4. First Aid Measures

Eyes : Promptly flush with running water for 15 minutes including water under eyelids. Obtain medical attention.
Skin : Wash affected area well with water. Remove clothing, clean and dry thoroughly before re-use. Get medical help if irritation develops.
Ingestion : Give ½ pint of warm water to drink, seek medical help urgently. Do not induce vomiting.
Inhalation : Remove to fresh air. Get medical help if irritation develops.

5. Fire Fighting Measures

Flammable Properties :
Hazardous combustion Products : Material will burn in a fire, releasing combustion products of carbon monoxide, carbon dioxide and hydrogen iodide.
General hazards : Other material adsorbed onto the carbon may also be released.
Extinguishing media : Water fog, foam, dry chemical.
Firefighting equipment : Self-contained breathing apparatus and full body protective clothing.

6. Accidental Release Measures

Notify safety personnel for large spills. Avoid generation of dust. Collect solid for recovery or disposal. Personnel involved in clean up need protection against skin and eye contact and inhalation of dust or mist.

7. Handling and Storage

Handling : Follow good handling and housekeeping procedures, avoid spills, accumulation of dust and generation of airborne dust. Avoid prolonged contact with skin and eyes. Avoid inhalation of dust. Wear protective gloves and safety glasses or goggles. Use in a well-ventilated area.
Storage : Store in a sealed container in a clean, dry, well-ventilated area away from strong oxidizers, strong acids, ignition sources, combustible materials and heat.

8. Exposure Controls and Personal Protection

- Eye protection : Wear safety glasses with side shields, safety goggles or a face shield, especially in dusty conditions. Provide an eye wash station nearby.
- Skin protection : Gloves and overalls should be worn when handling this product.
- Respiratory Protection : A dust mask meeting CEN or NIOSH regulations should be worn when handling this product. Maximum permissible exposure limit for inert dust: 6mg m^{-3} . When exceeded, an irritation of respiratory tract is possible.

9. Physical and Chemical Properties (typical)

- Form : Granular or powder
- Color : Black
- Smell : Typical
- Danger of explosion : Under normal conditions no danger of explosion.
If unfavorable conditions may from an explosive dust / air mixture
- Bulk Density : Approx. $400 - 550\text{g l}^{-1}$
- Solubility : Insoluble (the acid impregnation is water soluble)
- PH Value : 9 -11
- Ignition temperature : $>450\text{ }^\circ\text{C}$
- Auto-ignition : None

10. Stability and Reactivity.

- Chemical Stability : Stable
- Conditions to avoid : Heat and ignition sources, strong oxidizers and combustible materials.

Hazardous decomposition

- Products : CO, CO₂, WATER
- Hazardous polymerization : None

11. Toxicological Information

No toxicological properties

12. Ecological Information

Not determined.

13. Disposal Considerations

In accordance with local regulations.

14. Transport Information

- Land transport ADR / RID: Not classified as hazardous
- Maritime transport IMDG: Not classified as hazardous
- Air transport IATA: Not classified as hazardous

15. Regulatory Information

Not classified as hazardous to users

16. Other Information

The above information is based on our present knowledge. A guarantee of specific properties is not given.

17. Issue

Revised: July 2019
